A glossy protective laminate is required for campaigns 6 months or longer.

The microperforated films must absolutely bear the reference to the adhesive used, according to the following pattern:
The DuoLiner material is not accepted.

Have your supplier confirm the compatibility of the adhesive with the laminate.

- These companies are also approved for the mounting of vehicle covering.

Delivery

Preparation Deliver the posters in separate rolls. Each roll contains the opaque and microperforated parts for a poster and a vehicle. Please include a proof with mounting sketch. Please also supply the stickers (full formats) always with the pictures rolled to the outside. Do not roll too tightly.

Delivery slip Note the name of the printing shop and of the representative, the campaign title, format and number of posters or hanging displays, the material reference and the printing date of the material.

Address TP Publicité SA, Avenue de la Jonction 17, 1205 Genève

Deadline 2 weeks in advance, at the latest 7 working days before the beginning of the campaign.

We must reject every delivery that does not correspond to these conditions.
