Skizze

Manufacturing

- Format (W x H) : 25 x 35 cm.
- Hanging display : Carton, 400 g/m², thickness 1 mm.
- Dispenser : Carton, approx. 400 g/m², coverage of 60% of the surface of the leaflet or brochure, depth 1.5 by 2 cm, positioned at least 2 cm above the lower carton edge.
- Contents : Leaflets, brochures, flyers, response cards. Maximum weight 350 g per dispenser, stickers not permitted.
- Preparation : The dispenser must be fastened permanently to the carton.
- Printing : Only print the cartons on the front side.

Livraison

Deadline

2 weeks in advance, at the latest 7 working days before the beginning of the campaign.

Important

Cartons that arrive damaged will not be mounted, but are nevertheless invoiced. All additional work desired by the customer will be charged at the hourly rate.

Packaging

The hanging displays with dispensers must be delivered in vertical position upright in carton boxes.

Preparation

The hanging displays are delivered with filled dispensers and wrapped in packages tied with string.

Refilling

Deliver in packages with string, individually for each dispenser to be refilled.

Address

TP Publicité SA
Avenue de la Jonction 17, 1205 Genève

We must reject any delivery that does not correspond to these conditions.
